EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech. (Chem. Engg.)	Indian Institute of Technology, Tirupati	7.96	2023-2027
Senior Secondary	TNHSE Board	99.33%	2022
Secondary	TNSE Board	100%	2020

PROJECTS

- **TOPSOE Ammonia Process** Aug. 2024 - Present
Conducted comprehensive research on the TOPSOE ammonia process for APE course project [Github](#)
 - **Tools & technologies used:** MS Excel, MS Word, MS Powerpoint, MATLAB
 - Developed detailed presentation covering process design principles, catalyst systems, and reactor configurations while utilizing MS Excel to perform mass and energy balance calculations for determining raw material requirements, and product yields under specified operating conditions.
 - Worked on process analysis, and thermodynamic calculations through qualitative assessment of the ammonia production system.
- **Rotating Fluids** Jan. 2025 - Apr. 2025
Developed an experimental setup for observing and analyzing vortex formation as part of FHTL course [Github](#)
 - **Tools & technologies used:** MS Office, Arduino
 - Integrated an Arduino-driven stepper-motor system with custom circuitry and a container to create controlled rotational flow, enabling visual study of vortex structures and their interaction with immersed objects.
 - Managed experimental design, embedded hardware programming, and presentation of fluid-dynamics concepts.

TECHNICAL SKILLS

- **Programming:** C/C++, Python, Arduino, MATLAB
- **Tools:** Git, Simulink, MS Office, Google Colab
- **Libraries/Frameworks:** Pandas, Numpy, Matplotlib

KEY COURSES TAKEN

- Chemical Process Calculations, Fluid and Particle Mechanics, Process Heat Transfer, Computational Techniques for Chemical Engineers, Chemical Engineering Thermodynamics, Chemical Reaction Engineering, Fundamentals of Mass Transfer, Process Dynamics and Control, Applied Process Engineering, Fluid Mechanics and Heat Transfer Laboratory, Separation Processes*, Transport Phenomena*, Machine Learning in Process Engineering*, Electrochemical Energy Storage*, Introduction to Renewable Energy*, Ecology Environment and Sustainability
- * Currently undertaking

POSITIONS OF RESPONSIBILITY

- **Coordinator (Dep. Head):** Entrepreneurship Cell, IIT Tirupati Jun. 2025 - Present
 - Managing and coordinating a team of 30. Conducted events with a 120+ participants, developing and nurturing the entrepreneurial spirit in the campus.
- **Co Coordinator :** Chemical Engineering Club, IIT Tirupati Jun. 2025 - Present
 - Facilitated 100+ participants in a two-day MATLAB workshop, guiding them through the technical advantages of MATLAB in chemical engineering and other fields as well.
- **Content Creator:** Quizzing Club, IIT Tirupati Jun. 2024 - Present
- **Co Coordinator :** NSS, IIT Tirupati Jun. 2024 - May 2025
- **Co Coordinator :** Cultural Council, IIT Tirupati Jun. 2024 - May 2025
